5. It is further understood that NSA will notify 6901st and 6902nd that DMRs should hereafter be sanitized in accordance with guidance from Headquarters Operations, namely, no reference to source or mission by number, straight reporting of reaction collected.

6. Insofar as past CMRs are available and have not been distributed in accordance with the addressees indicated above, it would be appreciated if this could be done.

7. It should be noted that the DMR and the CMR will be handled only in the TALENT Control System (i.e., not the operational security system) and COMINT and that the dissemination within any receiving agency will be limited strictly on a MUST KNOW basis.
